

I INVITE EVERY WOMAN

Every woman is invited to consult our Staff of Physicians, Surgeons and Specialists, at the Invalids' Hotel and Surgical Institute, Buffalo, N.Y., by letter at my expense—R.V. PIERCE, M.D.

There is every reason why women should not trust their delicate constitutions in the hands of unskilled persons. It requires a thorough medical education to appreciate and understand the female organism. There is every reason why she should write a specialist.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, fainting spells, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the distinctly feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is devised and put up by a physician of vast experience in the treatment of woman's maladies. Its ingredients have the indorsement of leading physicians in all schools of practice.

The "Favorite Prescription" is known everywhere as the standard remedy for diseases of women and has been so regarded for the past forty years and more.

Accept no secret nostrum in place of "Favorite Prescription"—a medicine of KNOWN COMPOSITION, with a record of forty years of satisfaction behind it. Sold by all Druggists.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

LITTLE BOBBIE'S PA

By WILLIAM F. KIRK.

PA WAS certainly funny last night. He brought three of the funniest men up to our house that I have ever seen. The first one that he brought up was a barber. The man's

naim was Egbert Einstein. I wanted you to meet him, wife, said Pa, on account of his funny name. Egbert Einstein, that gave me a laugh, when he said he was shaving me. I thought maybe you would like to meet him, said Pa. He is a swell barber.

I hardly ever get shaved, said Ma. Goodnight, Mister Einstein. I then Mister Einstein went.

After that Pa brought in a poet. He was as slim as Eddie Fox and looked like him. This is Harold Hastings, Pa told Ma. He has written some of the finest verse that was ever recited by a man. He is going to recite a piece of it for you now, said Pa. Just listen:

I hate to inflict any of my poetry on you now, said Mister Hastings. I think it is bad enough for a man to cum

MAJUBA HILL. The thrill of the name and of the fight with which it is associated is still felt, notwithstanding the fact that it all came about 33 years ago.

Majuba Hill, like our own King's mountain, will never be forgotten while the love of human liberty and the admiration of human valor hold a place in men's hearts.

Great Britain had broken solemn promise to the Transvaal burghers and was about to annex this hard won territory when, at a great mass meeting held at Paardekraal, in December, 1899, the burghers declared war for the establishment of their former government.

Under Jaubert the Boer farmers immediately began business. At Laing's Neck, on the 25th of January, they won their initial victory over the British, making the name of the South African ridge forever immortal, and 11 days later, February 3, they scored another triumph on the Ingogo Heights.

Then came Majuba Hill. This renowned eminence, some 200 feet above Laing's Neck, and for artillery purposes completely commands it. If they would hold their own against the Boers it was absolutely necessary that the British should get possession of the hill, and on the night of February 26, Gen. Colley, after a fearful eight hour climb, got his force well in position on the summit.

And right there on the crest of Majuba Hill ended the first Boer war of independence. The British government immediately ordered an armistice, and on March 21 agreed to terms of peace by which the Transvaal was restored to its former political independence in all

Jenkins, Pa. said. He was the captain of a four-masted ship, Pa. said. You don't tell me, said Ma. Yes, indeed, said Pa., and befores that he was the second mate of a bark. Really? said Ma. Yes, Pa. said, and befores that he was the third mate of a schooner. There isn't anything about navigating that he doesn't know, said Pa. He is as smart as a steel trap, Pa. said. I thought maybe you would like to hear some of his adventures.

Onst he kicked a cabin boy off the ship, said Pa., and the captain ordered him off the ship he jumped in and saved the boy. There isn't anything that Mister Jenkins wouldn't do, said Pa. He has the heart of a lion.

He must have, said Ma, and he must have the nerve of a panther to come to our house the way he looks now. Goodnight, Mister Jenkins, then Mister Jenkins went.

boom with yure husband when the man feels the way I feel, without the man resting. Go ahead & recite, said Ma. Nothing has any terrors for me any more, not even death, then Mister Hastings recited:

Life is nothing but a bubble, Full of misery and trouble. After many a weary sigh All of us curl up and die. Well, lady, what do you think of it? said Mister Hastings. I would hate to tell you, said Ma. After Mister Hastings had went Ma

That Tightness of the Stomach

Caused by Formation of Nauseous Gases, from Undigested Food Stopped with a Stuart's Dyspepsia Tablet.

When you feel as if your stomach was being tightly choked—when the pain is intense and you are unable to eat, and clammy perspiration and there is a lump in your throat and you are weak and nauseated—all you need is a Stuart's Dyspepsia Tablet to clear away the wreckage of undigested food left in the stomach and intestines and restore you to your normal self again.

That Knotty Feeling of the Stomach Is Instantly Relieved by a Stuart's Dyspepsia Tablet.

Thousands of people have learned so well how sure and dependable Stuart's Dyspepsia Tablets are for all stomach ills that they are never without a package at home and at the office, and upon any indication that the stomach is a little uneasy, they take a Stuart's Tablet after each meal for a few days until the digestive organs get rested up again.

This is a splendid plan to follow and always results in much good. The appetite is improved, the food is relished more, your sleep is more refreshing, and your disposition will make you friends instead of enemies.

For Indigestion, Sour Stomach, Belching, Gas, Constipated Tongue, Intestinal Indigestion and all Stomach Disorders and Pains—or for Loss of Appetite—nothing is better than Stuart's Dyspepsia Tablets for sure and instant relief.

Use them freely—they are as harmless as sugar would be—and are by no means to be mistaken as "laxatives." They have no effect whatever on the system except the benefits they bring you through the proper digestion of your food.

All drug stores sell Stuart's Dyspepsia Tablets. The price is 50 cents per box. If you wish to try them before purchasing, address F. A. Stuart Co., 116 Stuart Bldg., Marshall, Mich., and a trial package will be sent you free.

Vapor Treatment For Catarrh

The HYOMEL vapor treatment is especially adapted for the relief of all cases of chronic catarrh of long standing, but remember that the inhaler should be used daily as usual.

This treatment only takes a few minutes' time before going to bed. Pour a scant teaspoonful of HYOMEL into a kitchen bowl of boiling water, cover head and bowl with towel and breathe for several minutes the vapor that rises.

You will be surprised at the results of this treatment: it makes the head feel fine and clear, you will sleep better, and the annoying feeling will gradually disappear.

This method is also used to break up the worst cold in the head over night. A bottle of HYOMEL (pronounced Hih-mo-mel) costs 50 cents at Kelly & Pollard's and drug stores everywhere. Complete directions are included in the little pocket inhaler \$1.00.

No stomach dosing; just breathe HYOMEL and end catarrh and all diseases of the throat and lungs. For a trial bottle by addressing Booth's Hyomel Co., Buffalo, N. Y.
